Headteacher's Blog – Week Commencing 9th July 2018

It has been another great week at the City of Derby Academy despite England being knocked out of the world cup!

There have been so many wonderful things to celebrate this week but here are just a few: Well done to Harmdeep K and Zoha A who have become the first students to achieve a gold star for accruing over 2000 class chart points. This is a wonderful achievement and I am sure you will all join me in saying a huge well done. The following students will also receive their gold star this week. Neena P, James C, Dusan C, Nekeesha G, Pyush J, Wasim S and Emma W. Well done, you should be very proud.

This week, five students from CoDA have been at the University of Loughborough representing us at a national STEM event. Connie, Zainab, Harmanpreet, Emily and Libby from year 10 have been a credit to themselves and the school. Well done!

In addition, five Year 9 students represented CoDA at Rolls Royce in a 'Girls into Engineering' event. Lemuella Z, Charlie S, Ranjit K, Gemma Tanue and Eloise Uranie performed brilliantly on the day and the feedback from Rolls Royce was of the highest order. Well done girls. Ranjit K performed that well that Rolls Royce have personally invited her back for extended work experience. This is a wonderful achievement.

As usual, I would like to say a huge 'Well done' to the following students who were the highest positive scoring students on Class Charts. All of these students will be rewarded with additional points. The volume of positive points is staggering this week and another CODA record.

Year 10 – Rebecca T, Alicia P, Mollie S

Year 9 – Gloria B, Simranjit K, Dominic C

Year 8 – Emma W, Sophia K, Avneet K

Year 7 – Chloe L, Ruby K, Eva M

Extra Rewards

I am sure you will join me in saying a huge well done to all of those students and I look forward to giving them their rewards.

In addition to that, I would like to say a big thank you and well done to all of the students who achieved 100% attendance since the start of the year. These students will also receive an additional 10 Class Charts points from myself.
