Headteacher's Blog – Week Commencing 21st January 2019

It has been another wonderful and successful week at the City of Derby Academy. Students have been working hard towards securing their 95% so they are eligible for the second activities day which takes place before the Easter break. The number of students currently eligible is high but my ongoing question to all students is 'are you at your 95% yet?.'

The week has been another busy one, with a number of activities and enrichment opportunities. All have been expertly organised and students have engaged brilliantly.

On Tuesday (22nd), the whole Year 9 were engaged in an enterprise day. The feedback from the company delivering the day was of the highest order and was a credit to us all. In addition, the quality and inventiveness of the final presentations were also something special. Well done all.

Year 9, also, had their 'guided choice' assembly on Wednesday (23rd). All subjects gave short presentations informing students of what each subject involves so they can make informed option choices.

I would like to say a huge well done and thank you to four of our students who stopped to help a disabled lady out of her car and into the shops over at the precinct this week.

We have 5 Year 10 students who attend an apprenticeship style training course at Rolls Royce. We have had the reports from their first term and they have all passed with flying colours. Well done to Lemuelia Anna Z, Sam G, Jordan M, Charlie S, and Bhawanjot S, you are a credit to us all and I am so proud of you.

In addition, I have signed a lot of positive cards and I am delighted to see the Class Charts totals. The vast, vast majority of students are already above their 95% proportion, which puts them in great shape for the first activity day.

This week's top scoring class charts students, who will be awarded 20 extra points are: -

Year 11 – Gavin S, Amrit A, Connor G

Year 10 – Dominic C, Omar H, Prabhjoy S

Year 9 – Saamiyah-Rauf M, Lewis M, Ali R

Year 8 – Lily A, Isabell D, Michaela T

Year 7 – Prital K, Jaskirat S, Natalia B
