Thursday 22nd October 2020

Dear Parent/Carer

End of Half Term School and Covid-19 Update

INSET Day

As a reminder, the City of Derby Academy will be closed tomorrow - Friday 23rd October 2020. Staff will undertake training as part of our planned INSET day. Students will return after half term on Monday 2nd November 2020.

Face Coverings

On the 16th October 2020, the DfE updated their guidance on the use of face coverings in schools. Our current stance of face coverings is that they are recommended to be worn whilst travelling to and from school, travelling around the school site, in school corridors and at lunchtime.

The updated guidance states that face coverings should be worn by adults; staff, visitors and students when moving around indoors, such as, in corridors and communal areas, if a local area is in a High and Very High alert level.

I would hope that most members of the community already have face coverings and I am asking parents to support us in ensuring face coverings are worn as described above.

If you have any questions please do not hesitate to contact to school

Yours sincerely

Mr P Smith
Headteacher
