## **Headteacher's Blog Week Commencing 2<sup>nd</sup> November 2020**

In my first blog of the new half term, I am delighted with how all areas of the school are operating. Students and staff are following all of the guidance to keep the whole community safe from coronavirus and the quality of learning taking place is of a high quality. Well done everyone!

As a reminder, any student who gets a mention in my blog, gets awarded 20 additional Classcharts points.

### **Special Event Success continued!**

I have to say well done to Talia P. Last year Talia won a Derby Youth Award and this year she has been nominated again. Unfortunately Talia did not manage to win the awards this year but did come runner up in the young volunteer and peer award. Well done Talia we are so proud of you.

### **Mrs Redding Successes**

Mrs Redding wants to say a huge well done to the following students. Mrs Redding said 'they are much deserving of congratulations and praise from their amazing efforts and hard work this week...I hope I may be in time for them to be added to you blog.

I have awarded the following students my 'Stars of the Week' which included a call to parents on Friday:

Y8: Jacob N: for the time and care taken in designing and building a fully operational (battery powered) wind turbine! (see photo!)

**Y9 Georgian S:** for his hard work and focus for learning across all subject areas, making him top star in 9LR this week!

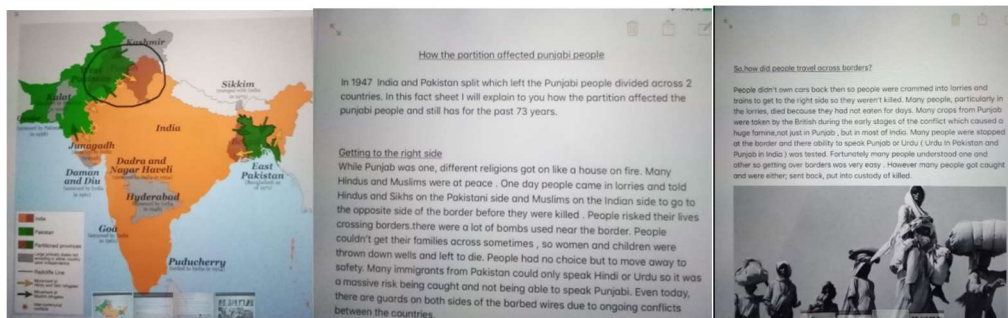

**Y11 Vinjeru M:** for her excellent thinking skills, eagerness to share her wonderful ideas and for being fully engaged in making great progress.

**Y11 Emma W:** for her continued hard work and effort and for encouraging others in the class to further develop their geographical understanding.

Well done everyone.

## History Success

Mr Beech wants to say well done to Jaya N. Mr Beech said 'I was sent this piece of work (that I had not asked to be done) over the half term. It is an incredible piece of work following on from a lesson this class had been taught about the partition of India after gaining its independence. Jaya has taken the information she has absorbed in class and created a fascinating and personal, by using some of her family members experiences, piece of work that myself and Mr Anderson are extremely proud of.'

Well done Jaya, we are so proud of you!

## EAL Success

Mrs Walker Smith and Mrs Zahid want to say a huge well done to their students. Mrs Walker Smith said 'I wonder if you could include the pictures below in your blog. The year 7, 8 and 9 Focus groups have worked really hard this week on a Halloween Project. They studied the meaning why we go *Trick or Treating* and looked at the origins of the festival. We decorated Halloween masks and put them up in our classroom but they also made pumpkin lanterns, as you can see from the photos. They worked really hard and deserve a lot of praise. Well done everyone, we are very proud of you!

## Extra Rewards

### P

In addition, I would like to say a massive thank you and well done to all of the students who achieved 100% attendance. To be at school EVERY day for a whole year is phenomenal. Attendance is so important to learning and I will award an extra 100 points for those with 100% attendance.
