

EXPECTATIONS FOR REMOTE LEARNING

From Monday 18th January students will follow their normal school timetables. Students should login to Teams and attend live interactions at the start of EVERY lesson.

**Our school day still runs from 08:40 - 14:30.
You are expected to attend every lesson, including registration.
All of your lessons will be available on Microsoft Teams.**

Teachers will invite you to your lessons on Microsoft Teams and you can join the lessons from your calendar. There will be a variety of activities within your lessons, and teachers will be on-line to shape the lesson and support your learning.

Teachers will expect students to complete work in the lessons and might set additional tasks to be submitted at a later date.

**Remote Learning information and timetables
for live interactions can be found at
