Dear Parent/carer,

## After School Sessions

We know that, during the most recent lockdown, some pupils were struggling to access their education remotely for a variety of reasons, so we are offering after school sessions for students who want to stay and complete additional work in school. These will run every Tuesday, Wednesday and Thursday from 2.30pm – 3.00pm and students will have supervised access to a laptop or a PC to complete the work set by their teachers. Students will stay in their year group 'bubble' and all other social distancing guidelines will continue to be followed.

The first of these sessions started on the 23<sup>rd</sup> March 2021 and, even though take up has been strong, there are still some spaces available. If you would like your child to stay at school and work in these sessions could you please indicate this on the reply slip below and ask your child to hand it in to their form tutor.

Yours sincerely

Mr R Meehan  
Assistant Headteacher
