Agenda	<ol style="list-style-type: none"><li>1. Mr Smith and the senior team have been reviewing the Academy Uniform. We would like to know your opinion on the following:  Should nose-studs (not nose-rings) be allowed in school? <ul style="list-style-type: none"><li>• Nose studs do not affect learning but could be problem in PE so only small size. Only stud.  After COVID restrictions are over, would students like to continue wearing PE to school on PE days?</li><li>• Agree to wear PE kit. Have more learning time. Although don't look as smart. Hygiene issue with PE first lesson. Year 11 pointed out that hygiene wise you would take your sweat in to your uniform clothes.  Mr Smith is considering buying all students a CODA PE kit so that they look smart in school on PE days. Do students think that is a good idea? Would just a top, or a top and trousers be better?</li><li>• Yes to a top, but the trousers are not necessary. Year 7 pointed out that not everyone could afford PE kit. Year 10 thought PE kit should be bought only for the people who need it. Year 11 really didn't like the trousers and preferred black trousers of their own. Suggestion of a CODA hoody for PE kit.</li></ul></li></ol> <p><b>Action: Mrs Russell to take opinions to the Senior Team meeting.</b></p>
