Agenda	<p>1. Student Wellbeing – please consider the following questions:</p> <ul style="list-style-type: none"><li>• What is your understanding of what Wellbeing is? Students from all year groups were able to articulate what wellbeing is including physical, mental and social wellbeing. All students knew where to get support from in school.</li><li>• What is the biggest worry you feel young people at CODA have currently? Answers varied from being stressed about coming, getting lost (Year 7), lack of breaks in the day, social distancing.</li><li>• In the current circumstances how easy, do you think it is to access wellbeing support at CODA? Students do not know who the wellbeing ambassadors are (although some did). Year 10 and 11 were very knowledgeable about how to access support and could give examples of posters, online and staff support.</li><li>• How would you see the wellbeing ambassadors continuing to operate in the current circumstances? Students suggested multiple ambassadors in each bubble with different roles and expertise.</li><li>• What wellbeing support would you like to see in CODA? School help email.</li></ul> <p><b>Action: Mrs Tomblin will work with the new Staff wellbeing lead to develop wellbeing using the student feedback.</b></p> <p>2. Unfortunately, the Activity Day in December will not run due to COVID restrictions.</p> <p>We are proposing that, instead, every child who achieves 95% will receive a reward equivalent to £10 in value.</p>
