Dear Parents/Carers,

Information about Student Vaccinations

Year 8 vaccinations -

The School Age Immunisation Service will attend school during the summer term to vaccinate Year 8 students with the HPV Human Papilloma Vaccine. Students receive their 1st HPV vaccination in Year 8 and their 2nd HPV vaccination in Year 9; we use the same consent form for their 1st and 2nd doses of the HPV vaccination. Please visit Vaccination Consent (derbyshireandcityimms.co.uk) and follow the instructions below. The option to consent or decline the vaccination is at the end of the questionnaire so please complete this even if you do not want your child to have the vaccination.

Year 9 vaccinations -

The School Age Immunisation Service will attend school during the summer term to vaccinate Year 9 students with the HPV Human Papilloma Vaccine. We have already got consent forms for the majority of Year 9 students and most have already been given their 1st HPV vaccination, however there are still some Year 9 students that would like their 1st HPV vaccination but were unable to receive this last year due to the COVID pandemic. If you have already completed the HPV consent form we will vaccinate with either the 1st or 2nd dose of HPV during the summer term at school. If you would like your child to receive their HPV vaccinations and you haven't already completed the consent form, please visit Vaccination Consent (derbyshireandcityimms.co.uk) and follow the instructions below. The option to consent or decline the vaccination is at the end of the questionnaire so please complete this even if you do not want your child to have the vaccination.

DATE OF VACCINATIONS: TUESDAY 4TH MAY 2021
