Dear Parent/Carer

## Year 9 HPV Vaccinations

The School Age Immunisation Team will be in school on Tuesday 4<sup>th</sup> May 2021 to vaccinate Year 9 students with the HPV Human Papilloma Vaccine.

We are aware that some parents/carers believe the above vaccine is linked to the COVID vaccine and we would like to make it clear that the HPV Human Papilloma Vaccine is **not** a COVID vaccine. HPV Human Papilloma is a routine vaccine offered to all Year 9 students every year. We would also like to stress the importance of keeping your child up to date with their vaccinations. For more information please visit the websites below:

In order for your child to access the vaccine you must complete the consent form. Further details about this is below.
