Dear Parent/Carer

Instrumental Lessons

The City of Derby Academy Music Department believes that learning a musical instrument improves the life chances of our students. We are therefore delighted to begin offering instrumental lessons on the guitar and drums from the Summer term 2021.

Lessons are provided at school once a week in the music department and the cost of individual lessons is shown below. If your son/daughter is identified as Pupil Premium, the school may be able to help with the cost of these lessons.

Lesson	Cost
Guitar (individual) 20 minutes	£8
Guitar (shared) 20 minutes	£4 (each)
Drums (individual) 20 minutes	£8

Instruments are provided by the school, however, students who have their own guitar are welcome to bring this into school. The instrument can be stored safely in the music department during the day of the lesson. There may also be an opportunity for instruments to be hired from the school. If you would like to discuss this, please email me cbell@cityofderbyacademy.org

We will also be providing music clubs where students can practice and play as an ensemble with other musicians. These will run Tuesday, Wednesday and Thursday at lunch time and after school from 2:30pm until 3:00pm. Music clubs are open to all, even if they don't have instrumental lessons at school.

If you wish your child to participate with instrumental lessons and music clubs, please complete and return the attached form and return to me at your earliest convenience.

Yours faithfully
