(12 months)

Maintenance Apprenticeship
(44 months)

Production Apprenticeship

What is it?

Location – Burnaston,
Derby

Qualification – Upon
successful completion
you will gain a **level 2
diploma in
manufacturing!**

- This exciting 12 month production apprentice scheme will provide an opportunity to learn both practical skills and theory necessary to become a member working on our production line, manufacturing the Toyota Corolla.
- You will develop the skills to carry out processes to a high standard, both safely and efficiently.
- Once you have completed the programme, you will not only receive a Level 2 diploma in Manufacturing, but a permanent job in one of our 7 production areas.

Salary: approx. £13,525
(increasing to approx.
£22,000 upon completion
of scheme)

Hours - 39 hours per week

Start Date – September
2022

What will you do?

You will carry out three different production placements in our various shops

You will also undertake classroom and off the job hand skills training as well as time spent away from site on further development activities (transport provided)

You will learn about the Toyota Production system and our core philosophies of Continuous Improvement and Respect for People

Maintenance Apprenticeship

What is it?

- A maintenance member develops and maintains equipment so our manufacturing team can produce the Toyota Corolla to perfect standards every time, on time.
- Training in our Burnaston academy, you will learn and develop the technical skills and theory required to become a competent member of our maintenance team.
- Some skills you will learn include welding, machining, hand tool use, robotics and electronics!

Hours: 39 hours per week

Location: Burnaston, Derby

Qualifications required: to apply you **must** have or be expecting 4 GCSE at grade '4' or above including Maths, English and Science (or equivalent).

What will you do?

STAGE 1- For the first 22 months, you will train in our onsite academy, gaining practical experience around different skill areas and learning the theory behind them.

Stage 2: Your final 22 months will be spent applying your new skills in a hands-on role, alongside and supported by our maintenance department.

Salary: approx. £13,525 rising with annual increments to approx. **£33,000** upon successful completion of 44 month scheme

Start date – September 2022

Our current apprentices

Megan

I liked the recruitment process, I felt very comfortable within the company. I would encourage other females to apply - I felt welcomed from the start. I enjoy that there is a real mix of industry, college and practical work incorporated throughout the course.

Joe

Kais

You are developing in a friendly environment, where everybody respects one another. In the short time I have been here, I already feel as if I am part of the team.

Ashley

By the end of my first day here, everybody knew each other and we've all bonded really well! I am excited at the prospects of progression that the production apprenticeship will open doors to in my future.

Kareem

Jolyon

Everybody is treated equally at Toyota, you feel as if you are part of the Toyota family from the beginning!
