Rolls Royce will also be planning meet and engage events (virtual platform) on the application/interview skills needed. These are not planned yet, but updates will be posted out to you when these are happening.

Students can also join Rolls Royce's talent community where they can keep up to date about future opportunities available. Please follow the link below to register: <https://amsrollsroyce.avature.net/ecruk?jobId=90>

Toyota Apprenticeships

Production Apprenticeships

This exciting 12-month production apprentice scheme will provide an opportunity to learn both practical skills and theory necessary to become a member working on our production line, manufacturing the Toyota Corolla. You will develop the skills to carry out processes to a high standard, both safely and efficiently. Once you have completed the programme, you will not only receive a Level 2 diploma in Manufacturing, but a permanent job in one of 7 production areas.

Open Evening – 25th November 2021

Maintenance Apprenticeships

Throughout the 44 month programme you will learn the technical skills and theory used everyday by our maintenance team. Training in the Toyota Academy, based in Burnaston, you will learn skills such as welding, robotics and electronics, through a mix of classroom based and hands on work, giving you an amazing opportunity to become a permanent member of our highly-skilled maintenance team. You will work towards a Level 3 NVQ Maintenance Qualification, with a focus on your personal development as a Toyota Member

Open Evening – 17th November 2021
