Dear Parent/Carer,

National Tutoring Programme.

Thanks to some changes the government has made to their National Tutoring Programme, we are excited to now be able to offer after-school tuition to eligible pupils in our school. We will be able to offer 15 hours of tuition with a fully-trained member of staff in which students will work in small groups to improve their literacy or numeracy once or twice a week from 3.15-4.15pm.

At this stage, we are organising the groups, the staff and the curriculum that the students will follow in these sessions, so we are asking parents to let us know if they would be interested in taking advantage of this offer to accelerate their child's progress in school. We would need each child to commit to attending the sessions for the full 15 week package of tutoring, but we anticipate this will make a big difference to their academic progress.

If you would like to register your child(ren) for a place in after school tuition sessions please either complete the reply slip below and return to the school office or email us using the following email address: admin@cityofderbyacademy.org

Yours sincerely

Mr R Meehan
Assistant
