This is an Invitation Only Apprentice Open Evening to share information about our future employment opportunities.

The Open Evening will provide students and parents with the opportunity to explore the schemes we have here at Rolls-Royce, including a chance to talk with representatives from the Apprentice Development team and Derby College, current apprentices and Recruitment Team who will be available to answer any questions you may have.

On the evening, you will also be one of the first to view our '**Spirit of Innovation All Electric Aircraft**', which has been designed to break the world record for the fastest electric vehicle as we eagerly await confirmation of our record-breaking attempt!

As a reminder, this invite is open to Yr. 11 - 13 students only who are currently either completing GCSEs or A-Levels/BTEC subjects at school or college.
