# 2022 Apprenticeships

## Production Apprentices

This exciting 12 month production apprentice scheme will provide an opportunity to learn both practical skills and theory necessary to become a member working on our production line, manufacturing the Toyota Corolla.

You will develop the skills to carry out processes to a high standard, both safely and efficiently.

Once you have completed the programme, you will not only receive a Level 2 diploma in Manufacturing, but a permanent job in one of our 7 production areas.

## Maintenance Apprentices

Throughout the 44 month programme you will learn the technical skills and theory used everyday by our maintenance team.

Training in the Toyota Academy, based in Burnaston, you will learn skills such as welding, robotics and electronics, through a mix of classroom based and hands on work, giving you an amazing opportunity to become a permanent member of our highly-skilled maintenance team.

You will work towards a Level 3 Maintenance Qualification, with a focus on your personal development as a Toyota Member.
