Subject: Go4Schools replacing Class Charts

Dear student/parent/carer

We have streamlined the systems we use to communicate with parents this year. Go4Schools will now not only be the place where you can find out how well your child is achieving in their subjects and get information on their attendance, we are also now using the behaviour section of the app to record positive and negative points, rewards and detentions, instead of Class Charts.

In order to access all of this information and stay up-to-date with how well your child is doing in school, you can visit www.go4schools.com or use the Go4Schools mobile app which is free to download from the Apple and Android App stores. This letter explains how students and parents/carers can log in to Go4Schools and access data online.

What is Go4Schools?

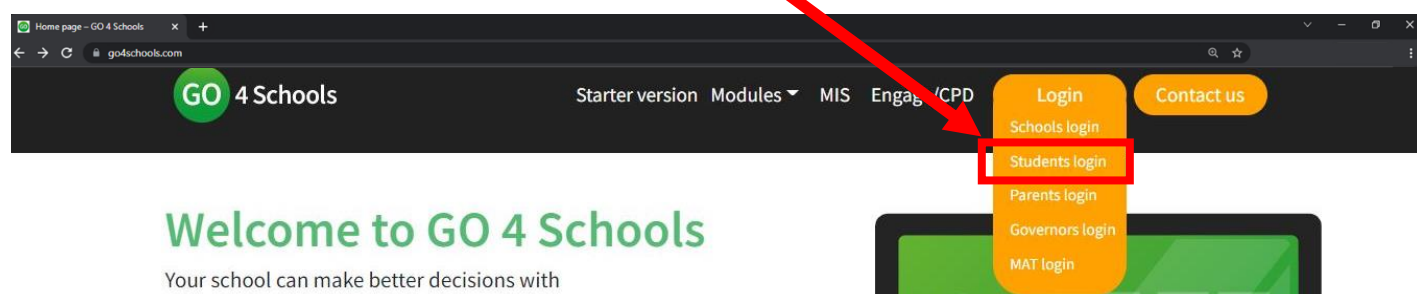

Go4Schools allows students and parents/guardians to access 'live' information about attendance, behaviour, timetables and progress. You can visit www.go4schools.com or use the Go4Schools mobile app which is free to download from the Apple and Android App stores.

Logging into Go4Schools – Parents/Carers

Parents/carers can also access Go4Schools using the website or the app as long as the school has an up to date email address for you.

If you have not yet provided us with an email address, or your email address has changed, please follow the steps below or you will not be able to log in:

- 1) Send an email to the following address: **admin@cityofderbyacademy.org**
- 2) In your email, simply state that you would like Go4Schools access and provide us with the following information:
 - Child's name
 - Child's date of birth
 - Year group
 - Form group (if known)
 - Your name
 - Your relationship to the child

We will then be able to add/update your email address and link it to the student information on our school database.

Once we have your email address in our school database you will be able to access the parents section of the Go4Schools website and/or use the GO4Schools mobile app.

If you have any further questions about Go4Schools, please email me at rmeehan@cityofderbyacademy.org

Yours faithfully,

Richard Meehan
Deputy Headteacher.
