Dear Parent and Y6 student,

I am writing to introduce myself and to welcome you to the City of Derby Academy community. We hope you are looking forward to September as much as we are!

We are currently making arrangements for transition days on the 2nd, 3rd and 4th of July. On these days you will get to meet your form tutor, tour the school and experience some lessons and activities that will help you familiarise yourselves with our site and our staff before you start in September. More information on transition will follow in due course, but there is a lot of information already on our website. We would especially encourage you to explore the open evening videos and the virtual tour of the school. We are also excited to have our own transition comic book currently being printed, which we will give to you on the transition days. It tells you everything you need to know in order to make a successful start at CoDA in September.

In the meantime, if you have any queries please don't hesitate to get in touch. I have listed the contact details of some key people below.

I look forward to meeting you.

Yours sincerely,
Adrian Harding
