

Dear Parent/Carer,

Easter Revision and Intervention Sessions (30 March – 10 April)

We are pleased to be offering a programme of Easter revision and intervention sessions to support students in their preparation for their upcoming examinations. These sessions will run from **Monday 30 March to Friday 10 April** and provide valuable opportunities for students to revisit key topics, practise exam techniques, and receive additional support from their teachers.

A timetable of the available sessions is included with this letter.

Key information:

- Students should **arrive at reception** at the start of their session where they will be met by their teacher.
- Unless otherwise stated, **all sessions are open to all students** who wish to attend.
- The **coloured Maths sessions** on the timetable are **targeted intervention sessions**, and attendance is by invite only. Please do not attend these sessions unless you have received an invite by post or email.
- Students should arrive on time, and be prepared to work hard to make the most of the opportunity.
- Attendance at these sessions will help students build confidence and maximise their chances of success this summer.

Attendance at these sessions is essential and they should attend all the relevant sessions.

If you have any questions, please contact the school using the usual contact details.
Thank you for your continued support.

Yours sincerely,
