

Monday 22nd June

Dear parents/carers,

Due to the high temperatures forecast for this week, we are allowing students to come into school in PE kit or without a blazer and tie between **Tuesday 23rd June and Friday 26th June**. Please remember to send students into school with water bottles to keep them hydrated.

The PE department are taking precautions to keep students safe in the heat during PE lessons, but please send students with sun cream as they may still be outside for shorter periods of time.

If students are attending school in PE kit, please stick to the usual expectations as laid out below.

Yours sincerely,

Claire Backhouse

Headteacher
