Our Vision

Our educational philosophy is to provide all students with an engaging and enjoyable learning experience which will develop both academic and personal success.

At the City of Derby Academy, we believe that academic outcomes are important and our expectation is that we will achieve national progress standards. However, we do not measure the success of our students by their examination results alone. Students access a balanced curriculum, and we continually strive to develop characteristics such as self-confidence, self-belief and self-esteem so our students are fully prepared for life in modern Britain. We believe that when the school, parents/carers and students share high expectations every child will

achieve great things. This includes having an excellent attitude centred on respect, high standards of appearance, good manners, full attendance and punctuality.

Introduction

Tapestry Learning Partnership (Tapestry) believe that good attendance at school has a direct impact on good progress and achievement. It is important for children and young people to attend regularly in order to maximise both their learning and their social and emotional development. Children and young people who miss a lot of school may feel left out and will not have the same shared experiences as their classmates and may find it difficult to follow what is going on in the classroom. Missing school trips, special events and break time may affect their ability to make friends at school. Being in school gives children and young people more time to interact with teachers and classmates. Irregular school attendance is a contributory factor in social exclusion and underachievement. We expect children and young people to attend regularly and arrive on time.

The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school.

Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all children and young people
- Promoting good attendance and the benefits of good attendance.
- Reducing absence, including persistent and severe absence.
- Ensuring every child and young person has access to the full-time education to which they are entitled.
- Acting early to address patterns of absence.
- Building strong relationships with families to make sure pupils have the support in place to attend school.

We will also promote and support punctuality in attending lessons.

Legislation and guidance

This policy is based on the DfE's statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces

of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

It also refers to:

- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

This policy also complies with Tapestry's Funding Agreement and Articles of Association.

Class teachers/form tutors

All class teachers/form tutors are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office for checking.

In the United Kingdom, teachers play a vital role in monitoring and promoting school attendance. Ensuring regular and punctual attendance is essential for the academic success and well-being of children and young people.

Teachers should:

- Monitor the daily attendance of their children and young people. They should maintain accurate attendance records, noting both present and absent students.
- Encourage children and young people to arrive at school/academy on time each day. Punctuality is essential for a smooth start to the school/academy day and minimises disruptions in the classroom.
- Identify patterns of poor attendance or lateness and intervene early to address any underlying issues. This may include communicating with the child or young person, their parents/carers and relevant support services.
- Maintain open lines of communication with parents/carers attendance. They should inform parents of any concerns about a child or young person's attendance or punctuality.
- Provide academic and emotional support to children and young people who may be experiencing attendance challenges. Identifying the root causes and addressing them proactively can help improve attendance.
- Strive to create a positive and welcoming classroom environment where children and young people feel motivated and engaged. Be alert to potential barriers to attendance, such as bullying, health issues or family problems. Identifying these barriers and reporting them to school/academy staff can lead to effective interventions.

Office staff

Office staff will:

- Take calls from parents/carers about absences on a day-to-day basis and record on the school system.
- Pass on concerns to the relevant pastoral or attendance staff.

Parents/carers

Where this policy refers to a parent/carers, it refers to the adult the school/academy and/or Local Authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not.
- All those who have parental responsibility for a child or young person.
- Those who have day-to-day responsibility for the child or young person (i.e. lives with and looks after them).

Parents/carers are expected to:

- Make sure their child or young person attends every day, on time.
- Call the school/academy to report their child or young person's absence before 9am on the day of the absence (and each subsequent day of absence) and advise when they are expected to return.
- Provide the school/academy with at least 2 emergency contact numbers for their child or young person.
- Ensure that, where possible, appointments for their child or young person are made outside of the school/academy day.
- Keep to any attendance contracts that they make with the school/academy and/or Local Authority.
- Seek support, where necessary, for maintaining good attendance, by contacting child's form tutor, pastoral team, attendance team or SEND team as appropriate.

Children and Young People

Children and young people are expected to:

- Attend school/academy every day, on time.
- Attend all their lessons in school on time.

Recording attendance

Attendance register

We will keep an electronic attendance register and place all children and young people onto this register.

We will take our attendance register at the start of the first session of each school/academy day and once during the second session. We will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment

- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- [For children and young people of compulsory school age] Whether the absence is authorised or not
- The nature of the activity where a child or young person is attending an approved educational activity
- The nature of circumstances where a child or young person is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school/academy day starts at 08.40 and ends at 15.10.

Children and young people must arrive in school/academy by 08.35 on each school day.

The register for the first session will be taken at 08.40 and will be kept open until 09.10.

Unplanned absence

The child or young person's parent/carer must notify the school/academy of the reason for the absence on the first day of an unplanned absence by 09.00, or as soon as practically possible, by calling the school/academy office, who can be contacted via 01332 270450.

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school/academy will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school/academy is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the child or young person's parent/carer notifies the school/academy in advance of the appointment.

A leave of absence request can be collected from the school office.

However, we encourage parents/carers to make medical and dental appointments out of school/academy hours where possible. Where this is not possible, the child or young person should be out of school/academy for the minimum amount of time necessary.

The child or young person's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to Authorised and Unauthorised Absence section to find out which term-time absences the school/academy can authorise.

Lateness and punctuality

A child or young person who arrives late:

- Before the register has closed will be marked as late, using the appropriate code.
- After the register has closed will be marked as absent, using the appropriate code, for the whole of that session.

Following up unexplained absence

Where any child or young person we expect to attend school/academy does not attend, or stops attending, without reason, the school will:

- Call the child or young person's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school/academy cannot reach any of the child or young person's emergency contacts, the school/academy may complete a home visit, alert social services and if considered necessary alert the police.
- Identify whether the absence is approved or not.
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the child or young person was absent.
- Call the parent/carer on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school/academy will consider involving an Education Welfare Officer.
- Where relevant, report the unexplained absence to the child or young person's Youth Offending Team Officer.
- Where appropriate, offer support to the child or young person and/or their parents/carers to improve attendance.
- Identify whether the child or young person needs support from wider partners, as quickly as possible, and make the necessary referrals.
- Where support is not appropriate, not successful, or not engaged with, issue a notice to improve, penalty notice or other legal intervention.

Reporting to parents/carers

The school/academy will regularly inform parents/carers about their child or young person's attendance and absence levels via regular texts, letters and in the termly reports.

Authorised and unauthorised absence

Approval for term-time absence

The Headteacher/Principal will allow children and young people to be absent from the school/academy site for certain educational activities, or to attend other schools or settings.

The Headteacher/Principal will only grant a **leave of absence** to a child or young person during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad.
- Attending an interview.
- Study leave.
- A temporary, time-limited part-time timetable.
- Exceptional circumstances.
- A leave of absence is granted at the Headteacher/Principal's discretion, including the length of time the child or young person is authorised to be absent for.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school/academy considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via school reception. The Headteacher/Principal may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see Planned and Unplanned Absence section for more detail).
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the child or young person's parent(s)/carer(s) belong(s). If necessary, the school/academy will seek advice from the parent/carers' religious body to confirm whether the day is set apart.
- Parents/carers travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the

school/academy, but it is not known whether the child or young person is attending educational provision.

- If the child or young person is currently suspended or excluded from school/academy (and no alternative provision has been made).

Other reasons the school/academy may allow a child or young person to be absent from the school/academy site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school/academy.
- Attending another school/academy at which the child or young person is also registered (dual registration).
- Attending provision arranged by the Local Authority.
- Attending work experience.
- If there is any other unavoidable cause for the child or young person not to attend school/academy, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school/academy premises are closed.

Sanctions

Our school/academy will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The Headteacher/Principal (or someone authorised by them), Local Authority or the police can fine parents/carers for the unauthorised absence of their child or young person from school/academy, where the child or young person is of compulsory school age, by issuing a penalty notice.

If the school/academy issues a penalty notice, it will check with the Local Authority before doing so and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school/academy will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks).
- Whether a penalty notice is the best available tool to improve attendance for that child or young person.
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution.
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate.

A penalty notice may also be issued where parents/carers allow their child or young person to be present in a public place during school/academy hours without reasonable justification, during the first 5 days of a suspension or

exclusion (where the school/academy has notified the parents/carers that the child or young person must not be present in a public place on that day).

Each parent/carer who is liable for the child or young person's offence(s) can be issued with a penalty notice, but this will usually only be the parents/carers who allowed the absence.

The payment must be made directly to the Local Authority, regardless of who issues the notice. If the payment has not been made after 28 days, the Local Authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parents/carers must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parents/carers in respect of the same child or young person, the parents/carers must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parents/carers in respect of the same child or young person within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents/carers do not engage with offers of support, the school/academy may offer a notice to improve to give parents/carers a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the Local Authority area in which the child or young person attends school/academy.

They will include:

- Details of the child young person's attendance record and of the offences.
- The benefits of regular attendance and the duty of parents/carers under [section 7 of the Education Act 1996](#)
- Details of the support provided so far.
- Opportunities for further support, or to access previously provided support that was not engaged with.
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis.
- A clear timeframe of between 3 and 6 weeks for the improvement period.
- The grounds on which a penalty notice may be issued before the end of the improvement period.

Strategies for promoting attendance

- The school will take a strategic and data driven approach to promote, reward and improve attendance.
- Attendance expectations are explained and delivered to parents and students at the beginning of each academic year.
- Attendance is promoted throughout the school week, driven by incentives to attend and recognition on a half termly basis.
- Year group assemblies celebrate good attendance on a weekly basis. Recognition is awarded for both good attendance and improved attendance.
- Punctuality is addressed in line with attendance expectations and recognised alongside good attendance and improved attendance.
- Recognition is given in the form of; verbal praise to both students and parents, letters of attendance, certificates, awards and at the end of term prizes.

Supporting children and young people who are absent or returning to school

The school/academy will work in partnership with the child and young person and their parents/carers to put in-school/academy support in place and working with the Local Authority and other agencies where external support is needed (and available). This includes regularly reviewing and updating the support approach to make sure it continues to meet individual needs.

These include:

Children and young people absent due to complex barriers to attendance

Children and young people returning to school/academy after a lengthy or unavoidable period of absence

- School/academy will work with children and young people and their parents/carers to mitigate anxious feelings and communicate expectations of regular attendance.
- Establish strategies to remove in school/academy barriers for these children and young people.
- Ensure joined up pastoral care is in place.
- Make referrals to, and work with other agencies, as appropriate.
- Ensure regular data monitoring.
- Consider whether a time-limited return would be appropriate (in line with Part Time Timetable expectations, as outlined by QEGSMAT).

Children and young people absent due to mental or physical ill health

- School/academy will work with parents/carers to develop good support for children and young people with physical or mental health conditions.
- School/academy will consider adjustments to practice and policies to help meet the needs of children and young people who are struggling to attend, as well as making formal reasonable adjustments under Section 20 of the Equality Act 2010 where a child or young person has a disability. Any adjustments should be agreed by and regularly reviewed with the child or young person and their parents/carers.

- School/academy will ensure joined up pastoral care is in place where needed and consider whether a time-limited phased return to school/academy would be appropriate, for example for those affected by anxious feelings about school/academy attendance.
- School/academy will make a sickness return to the Local Authority if a child or young person is recorded in the attendance register as absent using code I (unable to attend because of sickness), and there are reasonable grounds to believe the child or young person will have to miss 15 consecutive school/academy days or more for illness or the child or young person's total number of school/academy days missed during the current school/academy year because of illness (whether consecutive or cumulative) will reach or exceed 15 school/academy days.

Children and young people absent due to SEND

- School/academy will work in partnership with parents/carers to develop specific support approaches including, where applicable, ensuring the provision outlined in the child or young person's education, health and care plan is accessed.
- School/academy will work in partnership to help support routines where school/academy transport is regularly being missed and work with other partners to encourage the scheduling of additional support interventions or medical appointments outside of the main school/academy day.
- Establish strategies for removing the in-school/academy barriers these children and young people face, including considering support or reasonable adjustments for uniform, transport, routines, access to support in school/academy and lunchtime arrangements.
- Consider adjustments to practice and policies to help meet the needs of children and young people who are struggling to attend school/academy, as well as making formal reasonable adjustments under Section 20 of the Equality Act 2010 where a child or young person has a disability. Any adjustments should be agreed by and regularly reviewed with the child or young person and their parents/carers.

Attendance monitoring

Monitoring attendance

The school/academy and Tapestry will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school/academy and at an individual child and young person, year group and cohort level.

Specific child and young person information will be shared with the DfE on request.

Data will be collected each term and published at national and Local Authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school/academy will benchmark its attendance data at whole school/academy, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement and share this with Governors

Analysing attendance

The school/academy and Tapestry will:

- Analyse attendance and absence data regularly to identify children and young people, groups or cohorts that need additional support with their attendance.
- Identify children and young people whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence.
- Conduct thorough analysis of half-termly, termly and full-year data to identify patterns and trends.
- Look at historic and emerging patterns of attendance and absence and then develop strategies to address these patterns.
- Identify attendance patterns across Tapestry to identify common issues and barriers and share effective practice between schools/academies.

Using data to improve attendance

The school/academy and Tapestry will:

- Develop targeted actions to address patterns of absence (of all severities) of individual children and young people, groups or cohorts that it has identified via data analysis.
- Provide targeted support to the children and young people it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their parents/carers (see below section).
- Provide regular attendance reports to facilitate discussions with children and young people and their parents/carers, and to the Governors and school leaders (including special educational needs co-ordinator, designated safeguarding leads and pupil premium lead).
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies.
- Share information and work collaboratively with other schools in the area, Local Authorities and other partners where a child or young person's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific children or young people, where appropriate

Reducing persistent and severe absence

Persistent absence is where a child or young person misses 10% or more of school, and severe absence is where a child or young person misses 50% or more of school. Reducing persistent and severe absence is central to the school/academy's strategy for improving attendance.

The school/academy will:

- Use attendance data to find patterns and trends of persistent and severe absence.

- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education.
- Hold regular meetings with the parents/carers of children and young people who the school/academy and/or Local Authority considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school/academy.
 - Listen and understand barriers to attendance.
 - Explain the help that is available.
 - Explain the potential consequences of, and sanctions for, persistent and severe absence.
 - Review any existing actions or interventions.
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the Local Authority, where relevant.
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these children and young people. In doing so, the school/academy will sensitively consider some of the reasons for absence.
- Implement sanctions, where necessary (see Sanctions section, above).

Monitoring arrangements

This policy will be reviewed as guidance from the Local Authority and/or DfE is updated, and as a minimum every three years by the Tapestry Attendance Team.
